

# Geotender Privacy Policy

Geotender (“Service”), a service by Geotender VOF, collects public data about social media accounts, the e-mail addresses of those who communicate with us via e-mail, aggregate information on what pages consumers access or visit, and information volunteered by the consumer (such as survey information and/or site registrations). The information we collect is used to improve the content of our Web pages and the quality of our service, and is not shared with or sold to other organizations for commercial purposes, except to provide products or services you've requested, when we have your permission, or under the following circumstances:

- It is necessary to share information in order to investigate, prevent, or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, violations of Terms of Service, or as otherwise required by law.
- We transfer information about you if Geotender VOF or Geotender is acquired by or merged with another company. In this event, Geotender VOF will notify you before information about you is transferred and becomes subject to a different privacy policy.

## Information Gathering and Usage

- When you register for a paid Geotender service we ask for information such as your name, company name, email address, billing address, credit card information.
- Geotender VOF uses collected information for the following general purposes: products and services provision, billing, identification and authentication, services improvement, contact, and research.
- Credit card information will be stored offline and secure to handle periodic payments.

## Cookies

Geotender uses cookies to collect data about usage of the Service and to improve the Service. A cookie is a small amount of data that is sent to your browser from a web site's computers and stored on your computer's hard drive. Geotender may use persistent cookies to improve user interaction with the Service and to gather information on usage of any part of the Service.

## Data Storage

Geotender VOF uses third party vendors and hosting partners to provide the necessary hardware, software, networking, storage, and related technology required to run Geotender. Geotender VOF owns the code, databases, and all rights to the Geotender application.

## Disclosure

Geotender VOF may disclose personally identifiable information under special circumstances, such as to comply with subpoenas or when your actions violate the Terms of Service.

## **Changes**

Geotender VOF may periodically update this policy. We will notify you about significant changes in the way we treat personal information by sending a notice to the primary email address specified in your Geotender primary account holder account or by placing a prominent notice on our site.

## **Questions**
