Upgrade, downgrade or cancel at any time

Premium accounts can be cancelled at any time by clicking on the Account overview link followed by the Subscription tab. The Subscription tab screen provides a simple no questions asked cancellation link under Manage Account.

Cancel and you won't be charged again

Once you cancel you won't be charged again, but you are responsible for whatever charges have already been incurred for the current billing period. For example, if your billing cycle is on the 18th of every month, and you cancel on the 24th, you'll still have to pay for the current month, but you won't be charged again after that. In order to treat everyone equally, no exceptions will be made.
